VETERINARY EXAMINATION FOR DYNAMIC SYNDICATIONS

At the request of Dynamic Syndications, a pre-sale veterinary examination was conducted on **Lot 1806 MAJOR ARTIE, a 3yo Bay Gelding, ARTIE SCHILLER (USA) x MAJOR CONQUEST**, brands GS over C nr shoulder, 55 over 7 off shoulder, as described in the 2020 Magic Millions National Sale Estate of the Late Eduardo Cojuangco Catalogue. This examination was carried out at the Magic Millions Sale Complex, Bundall QLD, on Sunday 2nd August 2020, prior to the commencement of this section of the Magic Millions National Sale.

Clinical Examination:

This gelding was returned to the spelling paddock on 20th June after the passing of the owner Eduardo Cojuangco. This quality individual is, strong and athletic with good scope, presented in excellent condition. He has a good length of rein and deep girth. He stands over good ground. All clinical parameters were found to be within normal limits. He was examined in hand and was found to be free moving. Stethoscope examination of heartbeat was normal. There was no clinical evidence of wear to his extremities. He has a small scar of no consequence to his near side hock.

Radiographic Examination:

Being within the racehorse section of the sale, there is no requirement to have x-rays supplied by the vendor at the sales. Therefore, no x-rays were reviewed.

Endoscopic Examination:

Pre-sale the upper respiratory tract was examined endoscopically, and the larynx and pharynx were found to be Grade 1, normal in appearance and function.

Conclusion:

In my opinion, at the time of this examination, **Lot 1806 MAJOR ARTIE, a 3yo Bay Gelding, ARTIE SCHILLER (USA) x MAJOR CONQUEST**, is in so far as can be determined from the examination conducted, suitable for racing and public syndication and as such, is therefore suitable for all risk mortality insurance cover. I confirm that I advised Dynamic Syndications that in my opinion this lot was suitable for purchase.

Yours faithfully,

Dr. T.M.B. Roberts BVSc. MRCVS
