2. WELCOME TO THE SYNDICATE

2.1 Overview

The Syndicate is designed to afford investors (**Owners**) an opportunity to acquire Shares in a quality thoroughbred racehorse (**Horse**) and to participate in the Common Enterprise of caring for, training and racing the Horse as a whole for their mutual benefit (**Syndicate**). By holding Shares in the Horse and participating in the Syndicate, investors spread both the costs and risks associated with owning and racing thoroughbred horses.

2.2 Structure of Syndicate

The Syndicate is structured as a co-ownership arrangement and relates solely to the Horse the subject of this PDS.

The Owners Deed of Agreement will govern the legal relationship between the Owners for the Term of the Syndicate. A copy of that document is included in this PDS as **attachment A**.

The legal and beneficial title to the Horse is divided into **Twenty (20)** equal undivided Shares (**Shares**), which are held by the Owners' as tenants-in-common.

2.3 How the Syndicate Works

The Owner of each Share:

- (a) is required to contribute to the Syndicate:
 - (i) the right to use one's interest in the Horse, to facilitate the Horse as a whole being used in the Common Enterprise for the mutual benefit of all the Owners; and
 - (ii) moneys to pay the operating costs of the Syndicate, including the costs of maintaining, training and racing the Horse as a whole, in the same proportion as the number of Shares held bears to the total number of Shares; and
- (b) is entitled:
 - (i) to participate in the Common Enterprise; and
 - (ii) to receive a proportion of any Income of the Syndicate (Net Prize money, Owners Bonus or Incentive Scheme payments and other bonuses earned by the Horse) in the same proportion as the number of Shares held bears to the total number of Shares on issue.

The Owners collectively derive the benefit of racing the Horse as a whole and are collectively responsible for the activities and trading of the Syndicate. However, in the normal course, Owners are required to contribute only their proportion of the operating costs of the Syndicate.

The Manager will manage the Syndicate on behalf of the Owners and hold the Syndicate Property upon trust for the benefit of the Owners, in accordance with the Owners Deed of Agreement.

The Manager will appoint the Trainer to supply training and ancillary services in accordance with the Trainer's Training Agreement.

The Trainer's obligations under the Training Agreement include (without limitation):

- (a) taking possession and day-to-day control of the Horse on behalf of the Owners for the purpose of training and racing it to best advantage;
- (b) providing all stabling and ancillary services, equipment and gear, feed and supplements;
- (c) providing or procuring the services of such third-party service providers as the Trainer considers necessary to provide services in relation to the Horse, including (without limitation) chiropractic care, dentistry, farriery and veterinary care, agistment, pre-training and transportation;
- (d) determining in consultation with the Manager the racing program of the Horse and also the jockey who will ride it in each of its races; and

- (e) as the representative of the Manager, entering (including nominating, accepting and scratching) the Horse for any race or trial, in consultation with the Manager, unless otherwise specifically agreed with the Manager. The Manager will not be liable to the Owners for any act or omission on the part of the Trainer resulting in the Horse not being entered for any specific race that may be preferred by the owners.

Fees and expenses will be invoiced to the Owners as follows:

- (a) the Trainer and other Third-Party Service Providers will invoice the Owners monthly in arrears for their proportion of fees and expense; and
- (b) the Manager will invoice each Owner and the Trainer monthly in advance for the Management Fee.

The Manager may, on behalf of the Owners, accept terms that require payment to the jockey of an additional success fee of 5% (plus GST) of gross Prize money earned for a winning ride on the Horse in any sales series race or group or listed race, subject to the provision of a tax invoice.

Compulsory Notice – required by the terms of the ASIC Instrument

An Owner may elect to have the Horse tested for a prohibited substance under the Rules of Racing, with the cost of the testing to be borne by all participants (whether or not they elected to have the Horse tested).

Until the Minimum Overall Subscription is achieved, the Application Moneys received will be held in a trust account designated for Application Moneys. Such moneys will not be invested in an interest-bearing account and no interest will be paid to the applicants by the Promoter.

Shares will be issued once the Minimum Overall Subscription is achieved.

If a Share is held by 2 or more persons jointly, the Rules of Racing require you to register a syndicate and to hold the Share in the name of that Syndicate. The registered manager of that syndicate: - will hold the Share as trustee for the other members of that syndicate; - will represent them in all dealings relating to the ownership of the Horse; and - will be responsible for ensuring that they comply with their collective obligations as the Owner of a Share under the Owners Deed of Agreement. - o (enclosure ticketing) Race Clubs currently normally provide for a maximum of 20 owners enclosure tickets only on race day. On some race days, owner's enclosure ticketing is restricted, in which case the Manager will ballot the available tickets amongst the Owners intending to attend on race day.
Communications	The Manager is expected to ensure that regular reports are provided to the Owners on the Horse's progress, including pre-race and post-race reports and additional ancillary services.

5. WHAT ARE THE RISKS OF INVESTING IN THE SYNDICATE?

5.1 Risk Overview

All investments involve a degree of risk. These risks include (without limitation):

- (a) those associated with the Syndicate, including inherent risks and other risks that may be insignificant or not reasonably foreseeable;
- (b) those that apply to investments generally;
- (c) those that are associated with the Manager; and
- (d) those that individual investors may face.

While a number of these risks are explained below, you should:

- read the whole of this PDS to fully appreciate these matters;
- think about your tolerance to risk and how the potential investment risks of this Syndicate may affect you; and
- seek your own independent legal, financial and tax advice before deciding to invest.

5.2 Specific risks associated with the Syndicate

Investment in racing thoroughbred horses must be considered to be of a speculative nature.

Risks specifically associated with the Syndicate include (without limitation):

- (a) Owners will incur significant expense without the assurance of any financial return;
- (b) there is no guarantee or assurance as to the racing ability of the Horse or that it will progress to winning any races or Prize money;
- (c) the Horse may die, or its suitability for racing or subsequently for breeding may be diminished or lost as a consequence of market forces or the materialisation of an inherent risk, including (without limitation) accident, illness, infertility or sub-fertility, injury or natural cause, or other risk that may be insignificant or not reasonably foreseeable;
- (d) if the Horse is an Entire (a male horse that has not been gelded), it may require gelding. Most male racehorses are gelded as a consequence of physical or behavioural considerations in an effort to enhance racing performance. However, even if the Horse is permitted to remain an Entire, a residual value as a stallion is not assured; and
- (e) racing stables, racecourses and other places where the Horse may be located from time to time can be dangerous places, including because horses do not always behave as expected. Entering into those places involves personal responsibility to be aware of the risk of injury, accident and loss or damage to person or property for all persons who enter.

(Buying risk) The Offeror will normally arrange for a pre-purchase check and veterinary examination to ensure as far as is reasonably practical that the Horse is suitable for purchase as a racehorse/prospective racehorse. However, neither the Offeror nor the Promoter makes any representation or gives any guarantee or warranty to Applicants for Shares that the Horse is free of faults, imperfections, or defects, whether latent or patent, or will be liable to compensate Applicants if any such faults, imperfections, or defects, impair the racing or subsequent value of the Horse.

Owners should also anticipate that the value of the Shares will fluctuate during the Term of the Syndicate and that there will be no ready market for the Shares.

(Payment obligations) As a participant in a co-ownership arrangement (Common Enterprise), you should be aware:

- (a) that either the Horse, or a co-owner's interest in the Horse, may be lawfully sold if any of the co-owners do not pay their proportion of the costs of operating the Syndicate when due; and

- (b) that the failure of any co-owner to comply with one's payment obligations to the Trainer may result in the Trainer stopping or suspending training of the Horse (including entering it for any race or trial), even though the other co-owners are complying with their payment obligations.

(Industry conditions) Changes in the thoroughbred horse racing industry or market conditions could have a positive or negative impact on your investment during the time that you are an Owner, including level of Prizemoney on offer.

It is also possible that restrictions on the racing of thoroughbred horses, or an outright ban on horse racing, could occur in any or all of the Australian states and territories in which the Horse may be raced. If that occurs, you may lose all of your investment, there will be no further Prizemoney and there may be a period of time when you are still required to pay the costs associated with the maintenance and welfare of the Horse.

5.3 General Investment Risks

The Syndicate will be exposed to the direct and indirect consequences of changes in the state of the economy generally, including inflation risks, interest rates, public health, market and investment sentiment and other changes in the economic factors that affect a particular industry or market sector, as well as other factors over which the Manager has no control.

Legal, taxation and regulatory changes in the Australian investment environment, as well as changes in State or Federal Government policy may occur during the time that you are an Owner.

5.4 Manager Risks

(Dependence on the Manager) The Manager is obliged to manage the Syndicate and to ensure the efficient day-to-day operation of the Syndicate. If it fails to do so, then the Owners have the right to appoint an alternate third-party manager. There are risks attached to the Owners' dependence on the Manager, including:

- (a) reliance on the skill and expertise of the Manager to manage the Syndicate, as well as the manner in which these functions are carried out;
- (b) the way in which the Manager performs these functions may affect the returns to Owners; and
- (c) changes in the personnel of the Manager which may reduce its skill level in managing the Syndicate.

(Dependence on the third-party service providers) The Manager will engage the services of various third-party service providers, including the Trainer, to provide services in relation to the Syndicate and the Horse. There are risks attached to the Manager's dependence on those third parties, including (without limitation) the risk that the third party fails to effectively provide the services and support that such parties are contracted to provide.

5.5 Investor Risks

(Illiquid Investment) An investment in the Syndicate is illiquid. You have no right to redeem your Shares, there is no secondary market for them, and you may not be able find someone to buy them from you.

(Default) You will be in default if you fail to pay an amount when due. If you are in default, then the Manager may:

- (a) charge interest on any outstanding amount owing to the Manager;
- (b) deduct such amounts from Syndicate income otherwise due to you; or
- (c) require you to sell or surrender your Share(s) either to the other Owners or an outside party if you breach a material obligation, including any payment obligation, under the Owners Deed Of Agreement and fail to remedy such breach when requested to do so by the Manager.

The Manager may bring an action against an Owner to collect all amounts due, including interest, late charges and costs. If a Share is owned by more than one person or entity, such holders are jointly and severally liable for all amounts payable in relation to that Share. The Manager is not obliged to sell the Share and, in any event, may be unable to do so. The liability for ongoing costs associated with the ownership of a Share for the Term of the Syndicate may not be avoided by abandoning or surrendering that Share.

Manager's Remuneration

Management Fee:

- Payable by Owner – \$909.00 annually per Share – payable by monthly instalments in advance of \$75.75 (including GST) [\$18,180 including GST annually, for the whole Syndicate] for any horse offered as an **untried / unraced** thoroughbred horse being offered by the promoter (described as a *Yearling, Weanling, 2YO, 2YO Ready-To-Run or 2YO-In-Training*). If an Owner holds 3 or more Shares in any horse as described, that had been offered **publicly** by the promoter, this fee will be capped at a multiple of 2 shares [\$151.50 including GST per month]. existing owners or previous owners of the promoter) then irrespective of the number of Shares held by the Owner in other promotions, the management fee of \$75.75 (including GST) applies per each private promotion. If a Share is held by 2 or more persons as tenants-in-common, **each** joint holder must pay this fee.

- Payable by Owner – For any promotion of a **Racehorse-In-Training** (described as a *tried horse*) offered by the promoter, a standard Monthly Management Fee of \$75.75 (including GST) applies. Notwithstanding whether an existing owner holds 3 or more shares across various promotions, the Monthly Fee for a Racehorse-In-Training promotion of \$88.00 (including GST) is applicable. However, in such circumstance would be reduced to a set amount of \$33.00 (including GST) per calendar month. Should any Owner currently eligible for the lesser rate subsequently reduce their total shareholding across all promotions to one share or two shares, the fee will revert to the standard Monthly Fee of \$75.75 (including GST) per share. If a Share is held by 2 or more persons as tenants-in-common, **each** joint holder must pay this fee.
- Payable by Owner – Percentage of Prize money and bonuses – 2% when the value of the prizemoney won on any individual race is equal to or higher than seventeen thousand dollars \$17,000, increasing to 5% once the total value of gross Prize money and bonuses earned exceeds the total value of the Shares offered under this PDS.
- Payable by Owner – Percentage of Sale Price – 5% of the gross Sale Price (excluding GST), at the Manager's discretion.
- Payable by Owner – Percentage of any mortality insurance proceeds received by the Owner – 5%, at the Manager's discretion.

This fee is currently estimated at a maximum amount of \$12.75 (including GST) per day, when the horse is in the suppliers care, based on a daily training fee of \$170.00 (including GST). This fee is borne and paid solely by the listed Suppliers and is not levied against the Owner. The fee is levied at the Manager's discretion.

There is nothing in the Owners Deed of Agreement to prevent either themselves or any members, officers, directors of the Promoter or the Manager, or any corporation or other person related to any of them, from purchasing, holding, dealing in or disposing of Shares, or from otherwise contracting or acting as agent or entering into or being interested in any contract or transaction whatsoever with any other of them or with any Owner, provided that those persons must act, in connection with any such transaction, in a fiduciary relationship of utmost good faith to the Owners.

Subject to the specific provisions of the Owners Deed of Agreement, the Manager may amend the Owners Deed of Agreement from time to time PROVIDED it reasonably considers that any such amendment will not adversely affect the rights of Owners. Otherwise, the Manager must obtain the Owners approval (evidenced by a Special Resolution) before adopting any proposed amendment.

Any resolution, including an Extraordinary Resolution or a Special Resolution, at an Owners meeting will bind an Owner, regardless of how or whether or not the Owner voted.
