13(b). Information about Management Fees for Prospective Owners

Promoters may include Management Fees in the Product Disclosure Statement.

Management of a horse by a Promoter may be considered important to some investors as certain Promoters may have extensive experience in the industry.

Investors should consider the monthly management service and fee as detailed in the Product Disclosure Statement (or other contract or agreement) for the services provided and ask any questions of the Promoter before deciding whether to proceed.

Investors should note that under usual circumstances the agreements reached to provide a management service is only for the racing career of the horse and does not extend beyond this e.g. breeding career except by separate arrangement.

14. Racing Manager

DEAN WARREN WATT will act as Racing Manager, as first appointee of the Syndicate Manager as Racing Manager, in accordance with the provisions of *clause 5* of the *Syndicate Deed*.

15. Trainer

PETER MOODY will train the Horse. His main stables are based at **CAULFIELD VIC** and he also has stables at **RANDWICK NSW**. The horse may transfer between stables should opportunities present. He is the first appointee of the Syndicate Manager as Trainer, in accordance with the provisions of *clause 6.2* of the *Syndicate Deed*.

PETER MOODY has agreed to train the Horse.

16. Veterinary Report

DR JOHN WALKER of John Walker and Associates BVSc, Veterinary Surgeon (“Dr Walker”) has provided an initial veterinary report as to the suitability of the Horse for purchase and syndication.

Dr WALKER has given, and has not, before the date of this PDS, withdrawn his consent to the issue of this *PDS* with the veterinary report being included in the form and context in which it is included.

Dr ANDREW ARGYLE of Wollondilly Equine BVSc, Veterinary Surgeon (“Dr Argyle”) for AFSL Compliance purposes has provided an updated veterinary report as to the continued suitability of the Horse for purchase and syndication.

Both **Dr WALKER** and **Dr ARGYLE** have given, and have not, before the date of this PDS, withdrawn their consent to the issue of this PDS with the veterinary report being included in the form and context in which it is included.

17. Assessment of Value

The Promoter relies on the price paid for the Horse by the Offeror at public auction as being the current market value of the Horse.

18. Insurance

The Offeror has arranged mortality insurance cover with LOGAN LIVESTOCK INSURANCE AGENCY (ABN 81 001 826 204) which will expire on **1 November, 2014**, subsequent to which date each Owner will be responsible for assessing his or her own insurance risk and arranging whatever insurance cover he or she considers is appropriate.

19. Interests of the Promoter, the Offeror, the Syndicate Manager, the Racing Manager, their directors and experts

1. The Promoter, the Offeror, the Syndicate Manager and the Racing Manager, neither have, nor have had in the period of two years before the date of this *PDS*, any interest in relation to the promotion of the Syndicate or in the Horse other than the interests detailed in this *PDS*.
2. No Director or proposed Director of the Promoter, the Offeror the Syndicate Manager or the Racing Manager, either has, or has had in the period of two years before the date of this *PDS*, any interest in relation to the promotion of the Syndicate or in the Horse other than emoluments he or she may be entitled to receive from the Offeror, the Promoter, the Syndicate Manager or the Racing Manager and interests detailed in this *PDS*.
3. **Mr MOODY** neither has, nor has had in the period of two years before the date of this *PDS*, any interest in relation to the promotion of the Syndicate or in the Horse, save for the expectation that he will receive fees from training the Horse. Prospective investors should be aware that **Mr MOODY** may train other Horses syndicated and/or managed by the Promoter, Syndicate Manager and/or Racing Manager.
4. **Dr WALKER nor Dr ARGYLE** neither has, nor has had in the period of two years before the date of this *PDS*, any interest in relation to the promotion of the Syndicate or in the Horse except that he will receive a professional fee in connection with the provision of the Veterinary Report. Prospective investors should be aware that **Dr WALKER or Dr ARGYLE** may provide veterinary services to other Horses syndicated and/or managed by the Promoter, Syndicate Manager and/or Racing Manager.
5. There is nothing in the *Syndicate Deed* to prevent either themselves or any members, officers, directors of the Promoter, the Offeror the Syndicate Manager or the Racing Manager, or any corporation related to any of them or their officers, from purchasing, holding, dealing in or disposing of Shares in the Syndicate, or from otherwise contracting or acting as agent or entering into or being interested in any contract or transaction whatsoever with any other of them or with any Owner.

20. Summary of rights and liabilities attaching to Shares in the Syndicate and other relevant information

The full rights and liabilities attaching to Shares in the Syndicate are set out in the *Syndicate Deed*, a copy of which is annexed to this *PDS*. Each prospective purchaser of a Share should read that document in its entirety, as each Owner of a Share will be bound by its terms. Some important points are as follows:

- (a) None of the Promoter, the Offeror, nor any person or corporation named in the *Syndicate Deed*, nor anyone on behalf of any of them, makes any representation or warranty with regard to either:
 - (i) the suitability of the Horse either for racing or subsequently for stud purposes; or
 - (ii) the reliability or adequacy of any insurance cover arranged for the benefit of the Owners and referred to in this *PDS* or the *Syndicate Deed*;

and each Purchaser of a Share must acknowledge entering into the Syndicate at his or her own risk and being aware that investment in thoroughbred horses is highly speculative.

- (b) (i) The Owner of each Share will be entitled to a pro-rata share of net Prizemoney (gross Prizemoney less the obligatory deductions of 10% for the trainer and 5% for the jockey)

and Breeders Bonus or Incentive Scheme payments earned by the Horse from racing, in accordance with the provisions of *Clause 2.3* of the *Syndicate Deed*; and

- (ii) The entitlements of the Owners are subject to the default provisions set out in *clause 18* of the *Syndicate Deed*, which afford the Syndicate Manager both the right to suspend an Owner's entitlements whilst in default, and a power of sale in the event such default is not rectified within 14 days of receipt of notice.
- (c) The Owner of each share will be liable for a pro-rata share of costs associated with operating the Syndicate and with maintaining, training and racing the Horse, including any additional gratuities for wins in Group races which the Syndicate Manager may at its discretion agree to pay to the trainer and or jockey (*any such agreement to be communicated in advance and as soon as practical to the partners*) in accordance with the provisions of clauses 3 and 13.

The following are indicative of Syndicate and Horse expenses (inclusive of GST) for a full financial year, payable by each Owner monthly:

	Total for the Syndicate per annum	Per Shareholder per annum	Total per Share per month
Fee payable to Syndicate Manager by owners with 10%, 5%, 2.5% Shareholding		\$720 + GST	\$60 + GST
Estimated Horse costs (agistment, veterinary, pre-training, training and racing costs etc, but excluding major race entry and acceptance fees). *Note – these costs will vary significantly from month to month depending upon whether or not the Horse is in full training on out of training on agistment.	\$42,000	\$2,100 (5%)	\$175 * (5%) (*indicative only and subject to significant variation from month to month)
Total	\$42,000	\$2,820	\$235

- (d) Each Owner, by the provisions of *clause 2.8* of the *Syndicate Deed*, authorises the Syndicate Manager to do all things required to be done by an Owner to comply with the provisions of the *Syndicate Deed* and the *Rules of Racing* including signing a transfer of ownership of that Owner's interest in the event of unremedied default.
- (e) A procedure for determining the entitlements of the Owners to Trophies and replica Trophies is set out in *clause 2.3* of the *Syndicate Deed*.
- (f) A procedure for handling internal complaints is provided by the provisions of *clause 16* of the *Syndicate Deed*, which includes the right of an Owner, in certain circumstances, to have the dispute referred to the *FINANCIAL OMBUDSMAN SERVICE LIMITED (ABN 67 131 124 448)* ("FOS") for determination by conciliation or arbitration.
- (g) Provisions relating to the termination of the Syndicate on either the sale or death of the Horse, Owners agreement by Extraordinary Resolution, the Syndicate Manager electing to wind-up the Syndicate, or by order of the Court, are set out in *clause 19* of the *Syndicate Deed*.
- (h) The Owners rights of indemnity are limited by the provisions of *clauses 20* and *21* of the *Syndicate Deed*.
- (i) Investors should be aware that the Promoter, the Offeror, the Syndicate Manager and/or the Racing Manager, may each retain/acquire Shares in the Syndicate and that they may retain/acquire any number of Shares.

21. Marketing of Shares

An Owner will not be able to offer for purchase, or issue invitations to buy Shares, unless the prospective purchaser is provided with a *PDS* prepared by the Syndicate Manager in accordance with the provisions of *clause 4.8* of the *Syndicate Deed*.

In addition, there are restrictions on the sale of Shares set out in *clause 11* of the *Syndicate Deed*.

There will be no ready market for the Shares. Neither the Syndicate Manager nor the Racing Manager will be obliged to sell a Share on behalf of an Owner. Each Owner should consider the acquisition of a Share as a long term investment for the life of the Syndicate.

22. Warning

Investment in bloodstock must be considered to be of a speculative nature.

Each Purchaser of a Share must also acknowledge that there are inherent risks associated with investment in thoroughbred horses, including, without limitation, the following:

- (a) not all horses offered for syndication progress to competing in races;
- (b) the rate at which young horses mature varies markedly and it is not possible to predict with any degree of certainty at what age a horse will be mature enough to race;
- (c) not all horses which do race either win, or are placed, or earn prizemoney;
- (d) injuries can be sustained which may delay or inhibit a horse's ability to race, or even prevent a horse from having a racing career at all;
- (e) an extremely high percentage of colts are invariably gelded to optimise their racing potential; any investor considering investing in a male thoroughbred should consider that as per industry standards, their colt could more than likely be gelded; and
- (e) insurance is available against some, but not all, risks associated with the ownership of thoroughbred horses.

23. Risk

Fluctuations in the value and sale price of Shares should be anticipated. Factors which will influence both the value and sale price of the Shares include, without limitation, the following:

- (a) the skill and expertise of the individuals engaged to manage, maintain and market the Horse, as well as the manner in which these functions are carried out;
- (b) the race performances of the Horse;
- (c) the Horse may die or its value may be diminished as a consequence of accident, injury, contraction of disease or natural cause;
- (d) the level of demand for horses of equivalent calibre both at public auction and by private treaty;
- (e) the level of supply of horses of equivalent calibre both at public auction and by private treaty;

- (f) any change in the current conditions affecting investment in the thoroughbred horse industry, including level of prize money and taxation benefits available to breeders;
 - (g) changing conditions within the Australian economy generally; and
 - (h) the price which buyers at public auction or by private treaty are willing to pay either for the Horse, or Shares in the Horse, if offered for sale, may not reflect either the purchase price paid by the Offeror for the Horse or the sale price of the Shares offered under this *PDS*.
-

Dear Sir,

RE: Commitment to Train for DYNAMIC SYNDICATIONS

I wish to confirm that Dean Watt, on behalf of his company Dynamic Syndications, inquired if I was interested in training the following horse on their behalf.

2012 Bay Colt – REDOUTE'S CHOICE / ZAPURPLE
LOT 19 Inglis Melbourne Premier Sale

I have agreed to train the abovementioned horse in accordance with my standard terms of trade. These terms are available from my office upon request. Our main stables are based at CAULFIELD and we also have stables at RANDWICK. This horse during its racing career may transfer between stables should racing opportunities present themselves.

Further, my business practice is in accordance with the Product Disclosure Statement supplied with this horse.

I acknowledge that Dynamic Syndications employ Dr John Walker as their contracted veterinarian. I am aware Dr Walker has seen this horse at the sales prior to purchase where it passed a physical examination and its x-ray inspection did not reveal any areas of concern. I am aware the horse passed an endoscopic evaluation. I am aware this horse was passed as suitable for syndication for racing purposes.

I offer this letter for inclusion with Dynamic Syndications Product Disclosure Statement for the above described horse. I advise that I have had no previous association or any financial interest with this horse prior to being asked to train it for Dynamic Syndications.

Yours faithfully,

Peter Moody
