An applicant who is a retail investor who desires to Cool-off must, during the Cooling-off period, notify the Promoter in writing (by post, facsimile or email) that the applicant has elected to Cool-off, in which event the applicant will be entitled to receive a full refund of all application monies paid to the Promoter.

### **13(b). Information about Management Fees for Prospective Owners**

Promoters may include Management Fees in the Product Disclosure Statement.

Management of a horse by a Promoter may be considered important to some investors as certain Promoters may have extensive experience in the industry.

Investors should consider the monthly management service and fee as detailed in the Product Disclosure Statement (or other contract or agreement) for the services provided and ask any questions of the Promoter before deciding whether to proceed.

Investors should note that under usual circumstances the agreements reached to provide a management service is only for the racing career of the horse and does not extend beyond this e.g. breeding career except by separate arrangement.

### **14. Racing Manager**

**DEAN WARREN WATT** will act as Racing Manager, as first appointee of the Syndicate Manager as Racing Manager, in accordance with the provisions of *clause 5* of the *Syndicate Deed*.

### **15. Trainer**

**PETER MOODY** will train the Horse from his **CAULFIELD** stables as the first appointee of the Syndicate Manager as Trainer, in accordance with the provisions of *clause 6.2* of the *Syndicate Deed*.

**Mr MOODY** has agreed to train the Horse.

### **16. Veterinary Report**

**DR TIM ROBERTS of Centennial Park Veterinary Practice (ABN 91 072 794 944) BVSc, Veterinary Surgeon ("Dr Roberts")** has provided an initial veterinary report as to the suitability of the Horse for purchase and syndication.

**Dr ROBERTS** has given, and has not, before the date of this PDS, withdrawn his consent to the issue of this *PDS* with the veterinary report being included in the form and context in which it is included.

### **17. Assessment of Value**

The Promoter relies on the price paid for the Horse by the Offeror at public auction as being the current market value of the Horse.

## 18. Insurance

The Offeror has arranged mortality insurance cover with LOGAN LIVESTOCK INSURANCE AGENCY (ABN 81 001 826 204) which will expire on **1 November, 2012**, subsequent to which date each Owner will be responsible for assessing his or her own insurance risk and arranging whatever insurance cover he or she considers is appropriate.

## 19. Interests of the Promoter, the Offeror, the Syndicate Manager, the Racing Manager, their directors and experts

1. The Promoter, the Offeror, the Syndicate Manager and the Racing Manager, neither have, nor have had in the period of two years before the date of this *PDS*, any interest in relation to the promotion of the Syndicate or in the Horse other than the interests detailed in this *PDS*.
2. No Director or proposed Director of the Promoter, the Offeror the Syndicate Manager or the Racing Manager, either has, or has had in the period of two years before the date of this *PDS*, any interest in relation to the promotion of the Syndicate or in the Horse other than emoluments he or she may be entitled to receive from the Offeror, the Promoter, the Syndicate Manager or the Racing Manager and interests detailed in this *PDS*.
3. **Mr MOODY** neither has, nor has had in the period of two years before the date of this *PDS*, any interest in relation to the promotion of the Syndicate or in the Horse, save for the expectation that he will receive fees from training the Horse. Prospective investors should be aware that **Mr MOODY** may train other Horses syndicated and/or managed by the Promoter, Syndicate Manager and/or Racing Manager.
4. **Dr Roberts** neither has, nor has had in the period of two years before the date of this *PDS*, any interest in relation to the promotion of the Syndicate or in the Horse except that he will receive a professional fee in connection with the provision of the Veterinary Report. Prospective investors should be aware that **Dr Roberts** may provide veterinary services to other Horses syndicated and/or managed by the Promoter, Syndicate Manager and/or Racing Manager.
5. There is nothing in the *Syndicate Deed* to prevent either themselves or any members, officers, directors of the Promoter, the Offeror the Syndicate Manager or the Racing Manager, or any corporation related to any of them or their officers, from purchasing, holding, dealing in or disposing of Shares in the Syndicate, or from otherwise contracting or acting as agent or entering into or being interested in any contract or transaction whatsoever with any other of them or with any Owner.

## 20. Summary of rights and liabilities attaching to Shares in the Syndicate and other relevant information

The full rights and liabilities attaching to Shares in the Syndicate are set out in the *Syndicate Deed*, a copy of which is annexed to this *PDS*. Each prospective purchaser of a Share should read that document in its entirety, as each Owner of a Share will be bound by its terms. Some important points are as follows:

- (a) None of the Promoter, the Offeror, nor any person or corporation named in the *Syndicate Deed*, nor anyone on behalf of any of them, makes any representation or warranty with regard to either:
  - (i) the suitability of the Horse either for racing or subsequently for stud purposes; or
  - (ii) the reliability or adequacy of any insurance cover arranged for the benefit of the Owners and referred to in this *PDS* or the *Syndicate Deed*;

and each Purchaser of a Share must acknowledge entering into the Syndicate at his or her own risk and being aware that investment in thoroughbred horses is highly speculative.

- (b) (i) The Owner of each Share will be entitled to a pro-rata share of net Prizemoney (gross Prizemoney less the obligatory deductions of 10% for the trainer and 5% for the jockey) and Breeders Bonus or Incentive Scheme payments earned by the Horse from racing, in accordance with the provisions of *Clause 2.3* of the *Syndicate Deed*; and

- (ii) The entitlements of the Owners are subject to the default provisions set out in *clause 18* of the *Syndicate Deed*, which afford the Syndicate Manager both the right to suspend an Owner's entitlements whilst in default, and a power of sale in the event such default is not rectified within 14 days of receipt of notice.
- (c) The Owner of each share will be liable for a pro-rata share of costs associated with operating the Syndicate and with maintaining, training and racing the Horse, in accordance with the provisions of *Clauses 3 and 13* of the *Syndicate Deed*.

The following are indicative of Syndicate and Horse expenses (inclusive of GST) for a full financial year, payable by each Owner monthly:

	Total for the Syndicate per annum	Total per Share per annum	Total per Share per month
Fee payable to Syndicate Manager	\$ 7,920	\$792	\$66
Estimated Horse costs (agistment, veterinary, pre-training, training and racing costs etc, but excluding major race entry and acceptance fees). *Note – these costs will vary significantly from month to month depending upon whether or not the Horse is in full training on out of training on agistment.	\$35,000	\$3,500	\$291.67* (indicative only and subject to significant variation from month to month)
<b>Total</b>	<b>\$42,920</b>	<b>\$4,292</b>	<b>\$357.67</b>

- (d) Each Owner, by the provisions of *clause 2.8* of the *Syndicate Deed*, authorises the Syndicate Manager to do all things required to be done by an Owner to comply with the provisions of the *Syndicate Deed* and the *Rules of Racing* including signing a transfer of ownership of that Owner's interest in the event of unremedied default.
- (e) A procedure for determining the entitlements of the Owners to Trophies and replica Trophies is set out in *clause 2.3* of the *Syndicate Deed*.
- (f) A procedure for handling internal complaints is provided by the provisions of *clause 16* of the *Syndicate Deed*, which includes the right of an Owner, in certain circumstances, to have the dispute referred to the *FINANCIAL OMBUDSMAN SERVICE LIMITED (ABN 67 131 124 448)* ("FOS") for determination by conciliation or arbitration.
- (g) Provisions relating to the termination of the Syndicate on either the sale or death of the Horse, Owners agreement by Extraordinary Resolution, the Syndicate Manager electing to wind-up the Syndicate, or by order of the Court, are set out in *clause 19* of the *Syndicate Deed*.
- (h) The Owners rights of indemnity are limited by the provisions of *clauses 20 and 21* of the *Syndicate Deed*.
- (i) Investors should be aware that the Promoter, the Offeror, the Syndicate Manager and/or the Racing Manager, may each retain/acquire Shares in the Syndicate and that they may retain/acquire any number of Shares.

## **21. Marketing of Shares**

An Owner will not be able to offer for purchase, or issue invitations to buy Shares, unless the prospective purchaser is provided with a *PDS* prepared by the Syndicate Manager in accordance with the provisions of *clause 4.8* of the *Syndicate Deed*.

In addition, there are restrictions on the sale of Shares set out in *clause 11* of the *Syndicate Deed*.

There will be no ready market for the Shares. Neither the Syndicate Manager nor the Racing Manager will be obliged to sell a Share on behalf of an Owner. Each Owner should consider the acquisition of a Share as a long term investment for the life of the Syndicate.

## **22. Warning**

Investment in bloodstock must be considered to be of a speculative nature.

Each Purchaser of a Share must also acknowledge that there are inherent risks associated with investment in thoroughbred horses, including, without limitation, the following:

- (a) not all horses offered for syndication progress to competing in races;
- (b) the rate at which young horses mature varies markedly and it is not possible to predict with any degree of certainty at what age a horse will be mature enough to race;
- (c) not all horses which do race either win, or are placed, or earn prize money;
- (d) injuries can be sustained which may delay or inhibit a horse's ability to race, or even prevent a horse from having a racing career at all;
- (e) an extremely high percentage of colts are invariably gelded to optimise racing potential; and
- (e) insurance is available against some, but not all, risks associated with the ownership of thoroughbred horses.

## **23. Risk**

Fluctuations in the value and sale price of Shares should be anticipated. Factors which will influence both the value and sale price of the Shares include, without limitation, the following:

- (a) the skill and expertise of the individuals engaged to manage, maintain and market the Horse, as well as the manner in which these functions are carried out;
  - (b) the race performances of the Horse;
  - (c) the Horse may die or its value may be diminished as a consequence of accident, injury, contraction of disease or natural cause;
  - (d) the level of demand for horses of equivalent calibre both at public auction and by private treaty;
  - (e) the level of supply of horses of equivalent calibre both at public auction and by private treaty;
  - (f) any change in the current conditions affecting investment in the thoroughbred horse industry, including level of prize money and taxation benefits available to breeders;
  - (g) changing conditions within the Australian economy generally; and
  - (h) the price which buyers at public auction or by private treaty are willing to pay either for the Horse, or Shares in the Horse, if offered for sale, may not reflect either the purchase price paid by the Offeror for the Horse or the sale price of the Shares offered under this *PDS*.
-

**Declaration**

- (a) the statements contained in this PDS are true and correct; and not misleading in their form or content; and
- (b) this PDS contains all information which prospective investors and their advisers would require and reasonably expect to find in a PDS for the syndication of a Horse for the purpose of making an informed assessment about investment in the Syndicate.

## VETERINARY EXAMINATION FOR DYNAMIC SYNDICATIONS

At the request of Dynamic Syndications, a pre-sale veterinary examination of **Lot 537, NORTHERN METEOR ex COMEDY CLUB bay yearling filly**, brands as described in the 2012 Magic Millions Yearling Sale Catalogue, was carried out at the Sales Complex Bundall, Qld, on the 10<sup>th</sup> January 2012, prior to the commencement of the Magic Millions Yearling Sale.

### Clinical Examination:

This was is a high quality filly. She was a very well conformed in her forequarter with good angulations to shoulder and pasterns. She has good bone and she possessed great strength to her hindquarter. She appears more to have the strength of a male but the feminine traits of a quality filly. She was very well balanced with good length to her rein. She is a filly that stands over good ground with an easy flowing action at the walk. She was very athletic, well grown and powerful. She was presented in excellent condition for inspection. The filly is still immature and will develop further. All clinical parameters were found to be within normal limits. She was examined in hand, and was found to be free moving. Stethoscope examination of heartbeat was normal. There was no clinical evidence of wear or injury to his extremities. There was no response to flexion tests.

### Radiographic Examination:

Pre-sale there was a full set of radiographs available for inspection in the repository at the Magic Millions Sales Complex. Upon examination, there were no radiographic findings of any significance noted.

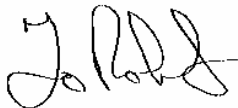

### Endoscopic Examination:

Post sale the upper respiratory tract was examined endoscopically and the larynx and pharynx were found to be normal in appearance and function.

### Conclusion:

In my opinion, at the time of this examination, **Lot 537, NORTHERN METEOR ex COMEDY CLUB bay yearling filly** is in so far as can be determined from the extensive examination conducted; suitable for racing and public syndication and as such, is therefore suitable for all risk mortality insurance cover. I confirm that I advised Dynamic Syndications that in my opinion this lot was suitable for their purchase.

Yours faithfully,

Dr. T.M.B. Roberts BVSc. MRCVS
